

VISION

The Student Academic Resource Center is committed to becoming a nationally recognized learning center by being a model advising and academic support program promoting undergraduate students' academic preparation, transition, and progress toward graduation. Through collaboration and partnerships with internal and external constituencies, the center will remain cutting-edge in facilitating service to students by providing opportunities for a smooth, seamless, and successful transition to the University of Central Florida and progress toward graduation.

MISSION

The Student Academic Resource Center mission is to strengthen comprehensive learning, enhance retention and promote student success by providing academic support services to UCF students and the surrounding community. This is accomplished through campus and community outreach, academic advising, peer tutoring, supplemental instruction, learning assistance and first year transition programs.
